

## Overview of Our Project

❖ **Project Name: - CGPA BOOSTER**

❖ **Our Slogan: - Boost Your CGPA With Knowledge**

### Vision:-

*Our vision is to create a platform in which we can learn, teach, grow and inspire together instead of focusing on “you”.*

“CGPA BOOSTER” is a platform for students from where can learn and share the knowledge with others. Our vision is to create a digital platform in which “we” can learn, teach, grow and inspire together instead of focusing on “you”. We believe in quality not in quantity.

### Motto:

Our motto is boost your CGPA with in you by knowledge and giving the right direction to build yourself with the experience of our core team members. We will upload the all the study material related to academics to enhance your CGPA. Our ultimate aim is to provide you the learning and growing environment where we can feel comfortable in this learning and competitive world. As we face many problems when our ETE or MTE comes on finding relevant study material to study one night before. We are going to remove all theses' difficulty by creating a single platform with all relevant study material like hand written notes, PPT's, MCQ question and Live video lecture and doubt clearing session .

### How we work:

We have our team on various department who are going to regular update the platform with latest study material. We on the regular bases guide you with right study material to study before the exams. . Our project is not about perfection, it's about efficiency, saving time and money, reducing stress, interacting with technology and improving your overall quality of life.
